Twin Rose Lady Riders

We began to gather in 1995 and that first enthusiastic group of riders was soon chartered by the national Women On Wheels® organization.

As South Central PA's WOW® chapter, the Twin Rose Lady Riders welcome female members (riders and passengers) as well as "support" guys. Some of us are seasoned bikers and others are new to the saddle. Some log thousands of miles each year and others enjoy short hops. We come from all walks of life – **connected by our love of riding**. We live east and west of the Susquehanna River (red and white roses!) and come together on sportbikes, touring bikes, scooters, trikes, and Spyders to enjoy great roads, fun destinations, and friendship.

The chapter hosts an annual Ride For HOPE* charity run, and over the years we've raised many thousands of dollars toward breast cancer research and help for patients and their families. We also enjoy riding to MAWMR (the Mid-Atlantic Women's Motorcycle Rally) which brings together hundreds of women riders for a great weekend of comraderie and breast cancer victim support. With breast cancer survivors among us, this cause is near to our hearts.

We want to make people aware of the positive attitude among women riders today. Contact any of the names listed on back for info on rides and meetings. Significant others are welcome, too. Come see what we're all about!

Ride Safe, But Ride!
