 **WOW: Twin Rose Lady Riders Chapter**

## *Greetings Roses & Friends,*

Thank you to everyone who came out for our last indoor meeting! I enjoyed the exchange of ideas and I'm excited for the upcoming season.

Thanks to NanC for taking care of the shirt order. We'll be looking great for the Ride for HOPE this year! Thanks to Sue S for the updated design.

Our escape room is planned for April 19 in the evening. If you are interested, please let me know as soon as possible.

Our first ride of the season will be April 13. Hopefully we'll have good weather! Hope to see you there.

I went to see *Wicked* on Broadway in February. I really enjoyed the movie, but to see it in the theatre was just amazing. To be honest, it was my first time seeing a show in New York City. I've been to NYC a few times, but I never wanted to spend my time sitting in a theater. Too much to see and experience! I also got to cross off another bucket list item—visiting the Harry Potter Store. If you're a Potterhead, it's an amazing experience—complete with a butter beer bar! A few weeks later, I got to go back! A friend of mine wanted to go Chinatown for 'sticky rice' (a desert) so we stopped off at Harry Potter again.

I got to get out on the bike since our last newsletter. It was wonderful.

It's time to get our bikes off their tenders, check the air pressures and let's ride!

*Natalie*

*Meanwhile,  
Guinevere, and  
SilverFox (and Lynn)  
have been enjoying the  
sights around Lake  
Okeechobee.*

## *Happy Birthday*

Charlie .....April 6  
Bernie .....April 8  
Kim .....April 10

## Twin Rose Lady Riders Meeting Minutes

March 9, 2025 • Conewago Inn, Manchester

### Attendance:

Nat, Kathy R, Kathy M, Sigi, Sue S & John, NanC & Jon

Nat called the meeting to order at 11:45

We were happy to give the Conewago our brunch business since they have been so accommodating for our annual party. We might continue to have meetings there again in the fall. Food and service was fine.

### Treasurer's Report:

-Lynn is on the road so no report from her.  
-Nat paid the \$100 AMA Charter. We have 10 AMA chapter members – the minimum allowed by AMA. Fewer than that and we would lose our ride insurance.

### Old Business:

NanC distributed tees ordered by Roses with the updated 2014 Ride For HOPE design, now without a date. Very nice.

### Ride Committee –

-Lots of rides have been scheduled and several still need details/destinations. Watch the calendar.  
-Nat said she is always open to last minute changes in destination – even at the rendezvous.  
-The committee scheduled only one Saturday ride (plus IFRD) to see if that works with the Roses.

2025 WOW Ride Waivers were passed around and Nat will have blanks available for riders on day of rides.

### Ride For HOPE –

-Sue S gave a file folder of many Ride For HOPE routes leaving from Laugerman's H-D over the years, in case the ride committee wants to re-use/re-work any of them.  
-Kathy R said she will try to put this year's route online to be accessed by QR code if riders have phone mounts.  
-Kathy R said she has contacted the Chuckwagon food truck. They are game to be present at our charity ride and Eisenhower's is cool with it being there.  
-Sue S revised the Ride For HOPE small flyers to mention a FOOD TRUCK. Kathy R will photocopy them and give several hundred to Kathy M for MAWMR swag bags.

WOW Ride-In in WVA was discussed

Caboose Weekend in western PA was discussed; group will stay over thru Monday AM to tour Franklin Bronze Plaques before leaving.

IFRD – probably a nice ride to Schells for lunch with ladies from other WOW chapters (like Anna).

NanC is considering adding a hayride to her destination.

### Other Destination Ideas (watch the TRLR Facebook page):

Apr 5 – Raven Ridge's Wild Animal Baby Shower at Columbia Park

Line dancing, escape room, mini golf, The Barn buffet (former Boyd's Bears), Williams Grove Sunday Flea Market in Dillsburg

Meeting adjourned at 1:30

### Remembering Vivian Bales

In 1929, Vivian Bales embarked on a 78-day cross-country journey on her new Harley. She covered a staggering 5,000 miles at a time when long distance travel was challenging and daring.

As she crossed the vast and diverse American landscape she believed her Harley was the "key to the whole United States". Her trip symbolized the growing fascination with motorcycles as a means of self expression and she became a symbol of empowerment for women at the time.

Her journey was well-documented by the press and she was widely celebrated – adding to the allure of the emerging role of women in activities traditionally dominated by men.

Her incredible ride remains a milestone and a great example of the spirit of adventure and determination.

A section of the motorcycle procession leading the way to fallen Officer Duarte's memorial service in York. Very moving.

Lots of details to come!
