Twin Rose Lady Riders

We began to gather in Sept. 1995 and that first enthusiastic group of riders was soon chartered by the national WOW® organization.

As a local Women On Wheels® chapter, the Twin Rose Lady Riders welcome female members and “support” guys; front seat riders and passengers. Some of us are seasoned bikers logging thousands of miles each year and others are new to the saddle. We come from all walks of life — business owners, factory and office workers, retirees, young moms, grandmothers, single, and married — all sharing the same common denominator... a love of riding. Our members live to the east and west of the Susquehanna River and come together on sport-bikes, touring bikes, and scooters, to enjoy great roads, fun destinations, and friendship. It doesn't matter what you ride, only that you enjoy it!

The chapter hosts an annual Ride For HOPE fundraiser, and over the years we've raised many thousands of dollars toward breast cancer research and help for survivors. We've also enjoyed riding to the Mid-Atlantic Women's Motorcycle Rally — a gathering that brings together hundreds of women riders for a great weekend of comradie and a wonderful cause, breast cancer awareness. With a breast cancer survivor as one of our charter members, this cause is near to our hearts.

New members are always welcome, so come see what we're all about. Contact any of the names listed on back for info on our newsletter, rides, and meetings. Significant others are always welcome. You don't even need to own a bike — just have an interest in the sport and in making people aware of the positive attitude that prevails among women riders today.

Ride Safe, But Ride!

Meets 2nd Sundays,
