 **WOW: Twin Rose Lady Riders Chapter**

Greetings to my TRLR friends,

WOW – another successful Ride for H.O.P.E.!! Thank you to all the TRLR's who volunteered their time, talents, and services to this year's Ride. We would not have had such a successful event without everyone's help and support. From the early morning route 'limers', the setup crew, the food preparers, the ticket sellers, the clean-up crew and all the other important functions. And especially to all our supporters. A special thanks to the York Motorcycle Club for once again providing the use of their clubhouse to hold the event and donation of the soda sale funds. A big thank you to our business supporters who provided us with auction items. We could not do it without your generosity.

It was awesome to see Mother Nature cooperate and provide our participants with some dry warm weather. The newsletter is packed with great pictures and fun stories. It was awesome to see our friends and longtime supporters, the Red Rose Riders, win our club participation award with 15 riders. A big thank you for support to the Infamous Ryders (7 participants) and it was fun to see one of their members win the first-place prize and another ride off with 50/50 winnings. A special shout out to the representatives from our sister WOW Chapters, the Capital Cruisers who rode in from the DC area and the Keystone Chapter from the Philly area. Check out all the fun pics. Everyone's support is greatly appreciated.

On October 20th, several of us rode to New Freedom, PA to present our 2018 Ride for H.O.P.E. proceeds to Barb Titanish. We were able to hand over a fist full of donation checks totaling **\$5,725** to support H.O.P.E.'s awesome work with cancer patients and their families. It was heartwarming to hear Barb tell of the assistance they have provided to those fighting cancer, and to hear H.O.P.E.'s plans for the future.

♥ **I'm also overwhelmed with pride to announce that since 2006 the Twin Roses' Ride for H.O.P.E. has raised \$50,909 — with every penny going to H.O.P.E. to help cancer patients and their families.** Way to go TRLRs!!

As I mentioned in our June newsletter – being Director of the Twin Rose Lady Riders over the last six years has been a very rewarding, fulfilling and fun adventure. The countless rides, winter indoor meetings, six Ride for H.O.P.E. events, and numerous impromptu activities have provided me with lots of laughs, many new riding partners, and lots of friends. I've enjoyed getting to know each of you and lead this fantastic Chapter of Women On Wheels®. Due to personal reasons I'm looking for someone else to take the lead role for the Twin Roses. I will support the new Director however needed and will definitely remain an active TRLR member. Consider nominating yourself or someone you would like to see leading this wonderful group of lady motorcycle enthusiasts.

Enjoy reading this edition and I look forward to seeing everyone at our **November 11th breakfast meeting at the Centerville Family Restaurant. Don't be late – early start time of 9:30am.**

Till then, ride safe,

Lynn

Route limers John, Sue, Sigi, and Bernie headed out at 7:30 and had fun as usual.

Our sign actually caught the attention of some riders who stopped in and registered!

Melissa tucked into Kathy's chili. Lynn baked breads, Sigi baked cupcakes, and Jo dropped off free bear baloney samples for the food counter.

Bobbie (above) from Keystone Chapter stopped by to support the event, and 3 ladies from Capital Cruisers Chapter (below) also registered and rode the route.

**CLUB PARTICIPATION
FOR THE PLAQUE!**

Red Rose Riders – 15

Infamous Ryders – 7

York MC – 6

Capital Cruisers – 3

Congrats to the Lancaster Red Rose Riders! They showed up in force determined to win the Club Challenge. Our own Purple Roses at Franklin Bronze Plaques in western PA are creating a fine award and we look forward to delivering it to them.

So – will another club challenge them in 2019?

Bless his heart, York MC's Dale was so patient with us all day. Hope somebody fed him!
We can't thank the York MC guys enough for the use of their clubhouse for this important annual event.

At right, Twin Rose Melissa heads back to Lancaster.

Makes our hearts glad to contribute!

The presentation photo up above – then the big reveal of the amount on the “check”!! – \$5725.

Barb told us the exciting news about H.O.P.E. Haven – finally a reality. In 2019 cancer patients and their families will step through new doors in Stewartstown to find respite, comfort, and peace.

CHATTER BOX

- Crystal and Dawn Paws (below) are our newest Roses! This couple live in Allentown and have no close WOW chapter so we have adopted each other. We're calling them our Teal Roses. Dawn is also the current president of MAWMR. (Our Dawn H is past-president.)

- Kathy M enjoyed a beautiful September day on the Fall Foliage Ride. It started at the 717 Armory, headed to Indiantown Gap, then ended at Susq Valley H-D. And it all benefitted Veteran Service Canines.
- MAWMR made the November AMA Magazine! See page 21 for the good review written by a first-timer.

Twin Rose Table at the H.O.P.E. Bull Roast Oct. 6, 2018

Bernie, Suzy, Audrey Dawn, Trish, Lynn, Dawn H, and Sigi posed. Also attending were Charlie, Wolf, Lynn's family, plus Dawn Paws & Crystal. A fine group.

Plenty of food, dancing, auctions, gambling, and general carrying-on with groundhgs – all to benefit H.O.P.E. the night before our poker run.

Uh oh, now we have three Dawns!

Elaine took this photo from her windshield as she drove behind Sigi and Kathy M – led by Lynn in the car ahead on a cold and wet day. Hope the 5 clubs had a good turnout in spite of the weather.

“Second Sunday” Chapter Ride – Scooter Sandwich Anyone?

By Lynn M

As with most of our 2018 TRLR Chapter rides the sky was over-cast on October 14th but Sigi, Kathy M, Elaine and I met at BAM with plans to support the annual 5 Club Benefit Run. This year the five York County motorcycle organizations selected Courtney Glenn to benefit from the event. Courtney is a young lady with Cerebral Palsy and the ride proceeds will go towards the purchase of an Action Tracker chair so she can have more mobility which will give her the ability to enjoy what we take for granted.

Sigi and Kathy M arrived on their scooters and Elaine and I on 4 wheels. I wanted to ride SilverFox but he was under the weather with a starter situation. We rode the short distance from BAM to the Westgate Lounge with Sigi and Kathy safely tucked between the two cars. Anyone interested in a scooter sandwich?? Elaine and I said YES!!

The shopping center entrance off Loucks Rd was under construction so we u-turned back to Kenneth Road in order to get into the Westgate lot. Hadn't even registered for the ride yet and we already made a U-turn – well it's an official TRLR ride!!

After we registered, we checked out the route and the threatening clouds. It didn't look too promising. Considering we already made a U-turn, we made alternative arrangements and took a short jaunt across Route 30 to the Lyndon Diner and enjoyed a nice lunch. Oh, and it started raining shortly after we sat down to order. After lunch a disappointed Sigi and Kathy M decided to head home – Sigi to Shillington and Kathy to Hummelstown. (These 2 Roses are some of our most distant members and are always up for a ride!) Elaine and I drove to the White Rose clubhouse in Jefferson for the remaining activities. No luck when we drew our poker hands. The York Motorcycle Club provided some tasty food and we watched as the 5 clubs auctioned off a variety of very nice goodie baskets..... fun event and day all for a worthy cause!!

Brain Teaser:

A boy is riding on the back of a motorcycle with a doctor driving. While the boy is the doctor's son, the doctor isn't the boy's father. Then who is the doctor?

Last month's answer: First, I threw away the outside and cooked the inside. Then I ate the outside and threw away the inside. What did I eat?
