 **WOW: Twin Rose Lady Riders Chapter**

Greetings Roses & Friends!

IFRD 2.0 was a success! Although the dreary skies contributed to a small turn-out, we still had all three PA Women on Wheels chapters represented! Anna from Winding Road Riders and Shawn from the Keystone Chapter made the journey to Schell's in Temple. Shawn rode her bike! The Roses intended to ride, but the gremlins had other ideas. Trish's bike wouldn't start and my bike was 'chirping' at me on my way to the meetup spot. [More on that chirping in a bit!] The five of us enjoyed lunch, some ice cream and great conversation. And (of course) a photo op. Trish brought ALL the Ride-In mascots! That was a great picture!

MAWMR was in York again this year. I opted not to go but DID meet up with the Roses who were attending for some dinner on Thursday. It's always fun to hang out with that group!

Oh—and that chirping? I called the dealer and asked if they could at LEAST do a quick diagnostic on the bike. They are scheduling out two weeks for repairs. He said he's pretty sure it's a loose cam bearing, but it could be more when they get into the engine. I was so appreciative that they made time to check it, since I had intended to attend the Ride-In. As I said, intended. The work on the bike won't be started until the 28th. It should be fixed pretty quickly, but I'm a little skittish about riding a bike to Minnesota after having engine work done, particularly since I won't have much time to ride from the time she gets home until I leave. And of course, there is the cost of the repair... So it looks like I'll be missing another Ride-In. But at least I have NanC's Second Sunday Ride to look forward to!

I sent an email requesting your vote on future Ride for HOPE details. Please email, text or call me with your preferences: spring or fall; Saturday or Sunday; and the same or different venue. I'll schedule a meeting to discuss the results and brainstorm ideas for a larger attendance. Although we raised a nice sum for HOPE, we had less than 30 riders attend.

For those of you heading for the Winona Ride-In—please be safe and I know you'll have a great time. If you are staying home, I look forward to seeing you on July 10!

Meets 2nd Sundays:

NOV – MAR: 11 AM brunch

APR – OCT: Check ride calendar or call for details on meeting sites or specific ride/rendezvous plans.

3 WOW® Chapters Meet for IFRD 2.0

The June 12 forecast was threatening, but the weatherman was wrong. Roses Trish, Dawn H, and Nat met Keystone member Shawn (on trike) and Winding Road Rider Anna (2nd from right) along with her neice for lunch at Schell's in Temple, PA. They are all holding mascots from WOW® Ride-Ins past & future.

Secret Sister 2022

Oh geez...What on earth is in that baggie?!! Audrey Dawn thinks it was Gummy Bears (melted courtesy of USPS) for Pet Bear Appreciation Week. Too funny!

But she got a cute pop-up bear card for her birthday.

Paws got a "genuine crystal" frog for her birthday!

This glowing solar frog gave Sue S a much-needed chuckle!

Above, the Roses rode to Allentown in the Missing Rider formation — leaving a spot open for Crystal.

At right, the Roses gather for a photo op with the life-sized cutout of Crystal.

Paws put together a big wonderful bash in Allentown on June 4th In Memory of Crystal

It was a beautiful day for a ride. Above, the Roses parked at the picnic pavilion, then went in to join the many other guests for food, festivities and remembrance.

At top, a little girl climbs onto Trish's trike.

I didn't know Crystal

...not really. Sure, we were Roses, but we didn't often attend the same events. And when we did, I kinda avoided her because, well, she intimidated me.

Meanwhile, 2021 is rolling along and I'm receiving funny cards and nice gifts from my Secret Sister. Then in Jan. of 2022, after Crystal's passing, Paws gave me an enlargement of a favorite photo beautifully framed and — as you have probably guessed — revealed that Crystal had been my Secret Sister all along. I was stunned.

The gathering in Allentown introduced me belatedly to a person I wish I had made an effort to know.

There's a moral to this story somewhere.

Women Supporting Women with the Challenges of Cancer

Over 300 registrants (115 newbies) had a great weekend and raised over \$30,000 for Pink Out and HOPE!

Can you find the Roses in the sea of bikes after the parade through York? Here they are at right: Dawn Paws, Dawn H, Audrey Dawn, and Trish. The Mobile Mammography van was there too!

The groundhogs also had a blast.

It was a fun-filled weekend with the big parade, rides, casino night, off-bike games (by Paws), a pool party, live music, and a banquet with a black & pearls theme!
