 **WOW: Twin Rose Lady Riders Chapter**

Greetings Roses & Friends!

I hope all who attended the Anniversary Party had a wonderful time. I'm so sorry that I wasn't able to come. Thank you to Kathy R, Kathy M, Nancy and Cheryl. You did a great job!

I'd like to take a moment to thank the board for their hard work this past year. We really couldn't get along without them. Thank you to Dawn, Sue and Lynn. I know how much time you spend behind the scenes to help the chapter and it is so appreciated.

Although I was never a guardian of our pig mascots, I am sad that they have retired. But we have a new mascot to keep us company! I'm looking forward to seeing what adventures he/she embarks on.

Looking forward to 2023, we have many exciting events in the works. As I mentioned in my Zoom speech, we have scheduled some Saturday rides this year! In addition, we have a trip to western PA planned! The ride-in is in Arkansas this year! Lots of beautiful roads down there.

Speaking of our ride to the western frontier. We have some decisions to make. Do we want to go the entire way to the Caboozes in Titusville? Do we want to go halfway and spend the weekend all together? We can rent cabins, but there is the possibility that if somebody can't come at the last minute, we will have to share their portion. In addition, it's harder to cancel those reservations than a motel room. And a motel is closer to dining possibilities. I'll be sending an email out soon so that everyone who is seriously considering attending can weigh in. The ride committee has ideas, of course, but everyone gets a vote.

I'm committed to more impromptu rides this year. I personally would like to ride more, so I'm going to post and email when I have a chance. Because these are not TRLR rides, everyone can attend—and everyone can lead or suggest a ride.

I also suggested recently that we consider a social committee, for non-riding fun. Although nobody has offered to be on the committee, I found a pretty good pizza parlor in York that reminds me of Grotto's (at the beach). I'll choose a day and let everyone know. Bowling would be fun too!

What is everyone doing to keep busy while we can't ride? I'm still trying to keep my fish alive. (I'm down to one again and a snail named Gary). In addition, I treated myself to a paint by number kit. I started to enjoy it when I realized that I don't really have to stay within the lines. (That's a nice metaphor for life in general.) Anybody who knows me well won't be surprised that I chose a sunset beach scene for my first attempt. Even if I don't do well, I'll enjoy looking at it while I paint. I might even make believe I'm warm.

Don't forget our next meeting at Loxley's on February 12 at 11am.

Twin Rose Lady Riders

ANNIVERSARY PARTY • 1-21-23

It was a fun crowd jammed into the small Lucky Duck banquet room in ETown.

Director Nat joined us via Zoom for a brief "State of the Chapter" address and to hand out awards.

Above: We all wave to Kathy M via Zoom as she is named Rose of the Year!

Kathy R and others took turns holding up the Zoom screen.

Waiter Jason took amazingly good care of the crowd.

Paws got a neat plaque honoring her efforts as State Ambassador for multiple East Coast states!

Dawn H and Sue S were pleased to get AMA Safety & Service Awards.

...more Anniversary Party fun

Was so nice to see Barb and Ed from HOPE! Barb scored a lovely painting by Sigi during the Dirty Santa game.

The Hand always makes an appearance.

Sue S' Secret Sister Dawn H had a great dog theme going! Just look at those puppy eyes!

Secret Sister and Dirty Santa gifts were flying around the room. John held onto his leather-scented candles.

Audrey was smitten with her granny bear and calendar of memories from Secret Sister Sue S.

Trish was handing out surprises. Sue S got this cool pin.

Audrey's sister Tracey sported a nice TRLR jacket embroidered by Nancy.

We got to meet the newest Rose — Paw's friend Rev.

A couple of the chucks and the new green guy sat on a lily pad and watched over some framed gifts and the photo albums.

CHATTER BOX

Nat and Lynn have been re-elected for another 2-yr term as Director and Treasurer. Sue S has agreed to continue as Secretary.

Here is a final image of **Pedro & Consuela** lazing on the beach, happily gazing out to sea and dreaming of retirement.

In the news:

Jay Leno (recently recovered from burns to his face from a fire while working on one of his old cars) now has a broken collarbone, broken ribs and cracked kneecaps. Riding his 1940 Indian, an unmarked cable across the road caught him at the throat. Undaunted, he says he'll be back up and performing in no time.

Harley-Davidson is celebrating their 120th anniversary with special paint schemes, some new/updated models, and a 353cc which will be great for riders' ed.

Kathy M, Trish, Nat, Cheryl, Dawn H, and SuzQ attended the Red Rose Riders holiday gathering and were happy to present them with the **2022 Ride For HOPE Club Challenge** dangly thingy to add to their plaque. The Twin Roses really appreciate the Red Rose Riders support!
