f WOW: Twin Rose Lady Riders Chapter

Greetings Roses & Friends!

*Over the winter months, I struggle a little to fill this spot. But not this month!
So many fun things have happened.*

Our April ride was a non-ride due to a cool blustery day. We still decided to take advantage of the Saturday to enjoy some yummy Amish made ice cream since they are closed on Sundays. I thought it would be a small gathering — boy was I surprised. We had former Roses and Purple Roses and more Roses I wasn't expecting show up! It was so much fun! Thank you all for coming out! It was truly special. Speaking of truly special — Down on the Farm has a petting zoo — with goats!! In addition to visiting with everyone, being able to pet and feed baby goats was a great way to spend a Saturday afternoon.

Our Social Committee planned a pizza dinner at Primo Pizza in York. We spent time chatting and snacking. Thanks for coming out! Our next event is an Escape Room. [See photo in this issue.] We had a suggestion of a painting party too! We'll try to schedule one event monthly. Anybody can host these — if you have an idea, pick a date and time!

We had our first impromptu ride already. Kathy McGrath, Dawn Huber and I road to Fox Meadow Creamery in Ephrata. We traveled back roads through Mount Joy and Mount Gretna on a beautiful evening. I hope to have more of these over the riding season.

Kathy Rea and I took an overnight trip to Wellsboro to scout out our June weekend. We planned our route up and back. In addition, we put together an itinerary for the weekend. See our plans in this issue!

On top of all that, we're looking forward to International Female Ride Day on May 6. Hope to meet up with other WOW® chapters that day. Watch for details to come.

Take care and be safe!

Natalie

Happy Birthday

Twin Roses meet in Strasburg *Down on the Farm Creamery*

Saturday, April 8

Sue quickly snapped a photo of some Roses before the nice Amishman walked back to his buggy. And yes...Dawn had TWO ice cream cones.

Was so nice to see everyone including Jon C and Wolfie. Hugs all around.

Above L-R:
Bernie, NanC, Sue S, Trish, Kathy R, Pat, Sigi, Nat, and Dawn in front.

It was a sunny but chilly, blustery day so we all arrived in 4-wheelers. We posed in the big toy train's dining car but our well-meaning volunteer photographer cropped off the train wheels.

NanC tried on and bought Pat's hi-vis jacket and riding pants. That's a close-up of the painting on Pat's car of her two fuzzballs.

*Goats to pet, puppies, potpie,
ice cream, and good friends —
made for a pretty special gathering.*

Wellsboro Weekend Plans

By Nat

Please know that you are free to do whatever you want while we are there. Some people want to ride more, others would prefer to sight-see and I'm sure some would like to hang out at the hotel. Please do what makes you happy.

Right now, we are planning on leaving Friday late morning with a stop at the Fry Brothers Turkey Ranch for an early dinner. Upon arriving in Wellsboro, we will check in at the hotel. If you are hungry or want ice cream, there are plenty of choices.

Saturday morning will be breakfast at the hotel. They had a delicious breakfast when we were there with plenty of hot and cold choices.

We'll ride to Leonard Harrison State Park to view the canyon. Please remember to bring bug spray.

The bugs were already bad when we were there. Then we'll go to Colton Point State Park for a different perspective of the canyon. The Maple ice cream food truck is no longer at Leonard Harrison, but we found where their shop is. They have offered to give us a tour of their maple syrup operation and (hopefully) have their ice cream truck set up.

We'll go back to Wellsboro for the afternoon. There are shops and a park there, plus the hotel has a pool and a large lobby.

I made reservations at Harland's Family Restaurant—a short walk from the hotel. But again, if you would prefer one of the other restaurants in the area, you are welcome to eat there.

Sunday we will have breakfast at the hotel and start home. We planned a different route home through Jersey Shore.

Roses are popping up everywhere!

Nat, Kathy M, and Dawn H (with Gracie the Groundhog) enjoyed an **impromptu Thurs. evening cruise** around the Mt. Gretna and Cornwall areas. And, happily, they ended up at Fox Meadows Creamery in Ephrata. Great weather and great roads.

On Friday, April 21, four Roses became entrapped in Professor Wright's Time Machine. They only had an hour to fix the machine and return to the correct year.

I joined Trish, Lynn and Kathy on a perilous adventure in Lititz. Trish had always wanted to try one, so we visited Escape Room Lititz to see what it was all about. We had to unlock three doors (but around 8 locks) to fix the piping of the Time Machine. There were clues in the room, and we were also allowed to ask the moderator three clues. It was a great time! We were figuring out cyphers, using a lantern and goggles, and making Trish repeatedly press a button very quickly. Obviously, it was a success, since we are not still stuck in another era. There were 9 minutes and 19 seconds remaining on the timer when we returned to 2023.

We will schedule another escape adventure in the fall. —Nat

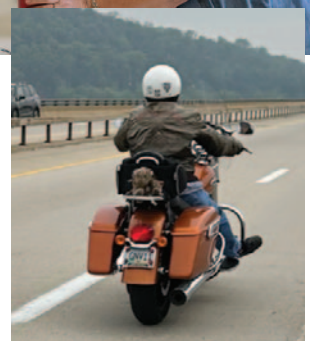

*NanC will order some patch blanks and make a sample.
To be continued...*

York Motorcycle Club Autism Awareness Ride

Trish, Sue S, Dawn H, NanC (and Jon), Nat, and Lynn showed up for a clubhouse breakfast and to support the event on April 16.

Sue S won a great door prize plus Trish took 2nd place with two aces, and NanC's poker hand took 3rd place!

Lynn took this pic of Dawn and Gracie heading home across the bridge.
