 **WOW: Twin Rose Lady Riders Chapter**

## *Greetings Roses & Friends!*

It seems like the weather is turning a little cooler and less humid—time to enjoy those bikes!

Lynn, her son's girlfriend, and I took the opportunity at the end of July to enjoy an 'impromptu' ride. I hope more of you can join these. They're a lot of fun. Usually about an hour-long ride with dinner and (of course) ice cream. I try to have everybody home before dark. This ride we checked out a new place in Mt Gretna called 'Colebrook Crossing.' They tore down the old Twin Kiss by Rt 241 and built a lovely food/dinner spot. The food was pretty good. Unfortunately, they only serve soft-serve ice cream. I had 'mocha' flavor which wasn't too bad! I encourage you to bring others when we do ANY ride.

Our August ride was lovely. Thanks Kathy McGrath! Because of summer construction, she spent many miles pre-riding the route—and it paid off. We had no issues and not even a turn-around! Great roads too. It was also nice to experience two new venues! We sat in a train car for lunch at Casey Jones Restaurant in Ronks. Ice cream was at Udder Choice. I had 'The Jigger.' Vanilla ice cream, cherry syrup, chocolate syrup and a 'secret' ingredient. It was a throw-back to a sundae that was served at Cox's Drugstore back in the day. It was rather good, with an odd brown/black ground topping that tasted a little like coffee. Turns out it was burnt nuts. Who would have ever thought of that? It was also a lot of fun to have two of the Keystone WOW® members attend!

This week, I rode out to Saint Peter's Village near Morgantown. What a quaint little spot. Their bakery is amazing. On the way home I fulfilled a summer tradition of visiting September Farms. Isn't it funny how things become a tradition? Do any of you have these? Unbelievably, I didn't even have ice cream—but I DID stock up on their homemade cheese: blueberry, smoked, orange/cranberry and muffaletta. (And yes, whenever anybody from the chapter mentions September Farms to me my response will always be "I LOVE their cheese.")

The Ride for HOPE is coming up soon. Please plan to help that day! Any raffle items are appreciated.

I also need a favor/help. We still haven't settled on a spot for our anniversary party. Our biggest issue is finding a place big enough that doesn't charge a rental fee. We are around 30-35 people, but we would also like someplace a little more private, since we tend to get rowdy.

We have quite a few weekends of rides ahead of us! Please feel free to post evening rides if you have time. These are not 'chapter rides' and anybody can attend.

Take care and be safe!

*Natalie*

## CHATTER BOX

Nat, Lynn and friend Shadai enjoyed an impromptu ride on a beautiful summer evening. They checked out a new ice cream stop in the Mt. Gretna area called Colebrook Crossing. Shadai was in need of some “wind therapy” on back of Silver Fox before her final nursing exam the next day. It worked. She passed!

If you are ever craving a ride — anytime — just reach out to other Roses.

Always on the go, Nat rode to Leesburg, VA and had lunch at the Public House.

## Sunday, August 13

The Roses had great riding weather for the August “Second Sunday” ride. Natalie, Dawn H, Lynn, Sigi and Kathy M met in Mountville and Kathy FOO’d the group to Casey Jones’ Restaurant at the Red Caboose Motel in Ronks. Shawn and Robin from the WOW® Keystone Chapter met them for lunch. From there the group rode for ice cream to Udder Choice in Ephrata where they were glad to meet up with Susie and Ev (Natalie’s friend). All enjoyed lunch and ice cream!
