 **WOW: Twin Rose Lady Riders Chapter**

Greetings Roses & Friends!

Another HOPE ride is in the books! Thank you so much for all your help; we honestly could not do it without you. As you know, the club voted to move the event to the spring this year to see if it would make a difference in attendance. We had fewer registered, but the Red Rose Riders came out in force again. In addition, we had a cameraman from WGAL stop by to interview Barb and me. It's always great when we receive recognition. We also could not do this without the help of York Motorcycle Club and specifically, Steve Dixon. If you see him, please thank him!

We always like to do a post-ride evaluation to try to improve for next year. Please pass on your thoughts to a board member. We will also have a club meeting to discuss. I thought the addition of observation questions to answer along the route was brilliant.

Our new members, Laura and Kurstyn joined me for our first ride of the season on Mother's Day. Due to the cold, damp weather we just had a short ride and met Trish and Dawn H for ice cream at Jim Mack's. We look forward to seeing more of them this summer!

Our next ride will be International Female Ride Day 2.0. Since the riding weather was miserable on May 7, we are going to Schell's in Temple, PA on June 12 and (hopefully) meeting the Keystone and Winding Rose Riders for lunch. I'm remaining positive that the weather will be good and we'll enjoy an afternoon with our wind sisters.

I think most of us feel that being on our bike is our happy place. I went for a lovely ride through southern Lancaster County this week. We passed quite a few Amish, lots of cows and farmland. One of our stops was at an Amish farm for eggs... beautiful brown farm fresh eggs. Again, I was so grateful for the opportunity to live in this country where we are free to ride motorcycles and explore.

Stay safe!

TOO COLD, TOO RAINY, TOO MISERABLE...

The Roses aren't wimpy riders. If it pours on a ride, we deal with it. BUT – with age comes the wisdom to not bother setting out on a “fun” ride in a cold rain.

That's why we have rescheduled/renamed May 7th International Female Ride Day to June 12th IFRD 2.0.

Let's hope for some decent weather and meet up with other chapters for lunch. Dawn H will be FOO and head to Schell's in Temple, PA, north of Reading. Check the Calendar page and Let's Ride.

International Female Ride Day circa 1890

Roses will be riding up toward Allentown on June 4 to gather for the fine memorial Paws is arranging in honor of her wife Crystal.

If the weather would happen to be bad, we'll definitely drive up. Check the Calendar page and Let's Ride.

SATURDAY MAY 21, 2022

...AND THEN IT WAS JUST PLAIN TOO HOT!!

The temps were in the 90s the day before our Ride For HOPE, but Kathy M, her friend Sue and 3 guys ran the entire 7-dealership all-day carnival ride. That's Kathy's trike 2nd from left.

She says many ticket-holders for this popular event did not show up because of the heat. But the dinner at the end was good, and their route-planner Eddie (above, at right) won the 50/50.

Kathy is looking forward to next year.

Secret Sister 2022

Nat says Thanks for the surprise!

Sue S wonders if the card is a hint to her Secret Sister's identity.

Cheryl was delighted with her turtle!

Paws' “Hot Ticket” wasn't so hot but she still loved it.

May 22 was a beautiful day for a ride! Just a little hot at the registration table, but Roses brought pop-ups and plenty of water and ice.

Trish and friend Deb said they enjoyed the route.

Our 26th Annual Event

Not pictured: Sigi, Bernie, Kathy M

A group heads out, including Dan from Combat Elevator who towed his hot bike in from Chester County to support HOPE. Below is his tank. Words to live by.

Audrey ran the dart board (and took route question answers). Many just tried to hit the board, but some guys were seriously aiming for good poker hands.

RRR Tom threw for Best Hand!

Sigi chats with Lynn at registration while Dawn tallies up poker hand winners.

The Chucks helped.

As usual, there were LOTS of good raffle prizes.

Red Roses Riders returning!
They thought the route was fun
and well marked AND they won
the Club Challenge plaque with
10 members registered!

The limers saw
a man at the
stump. He CAN'T
BE taking down
the bear on the
day of the ride!
Nope... he just
happened to be
adding a 2nd
bear!

Generous donations

We keep event expenses quite low and all cash prizes are donated,
so we are looking forward to presenting another nice annual gift to
Barb and her HOPE volunteers! Grand total TBD.

**THANK YOU
YORK MOTORCYCLE
CLUB
for the use of
your facility!**

Seen along the route - but
not one of the questions -
historic Codorus Furnace,
and a life-size cut-out of a
motorcycle cop!

1 DOT RIGHT, 2 DOTS LEFT,
PINK RIBBON CONFIRMATION!
Limers have a great time!

Intrepid limers, below,
stopped for fresh asparagus
at a roadside stand, shoved
a huge overturned ROAD
CLOSED sign out of the travel
lane and took a cookie break
along the river at Long Level.

Richard Freeburn took Barb's husband Ed along on the run in
his very cool "Lawyers for Riders" Morgan 3 Wheeler. The two
of them were having such a wonderful cruise, they didn't notice
any of the Observation Question answers!

- 1) What's painted on the white barn along Mt Pisgah?
- 2) What's sitting on the stump at the Dark Hollow stop sign?
- 3) What's on the pole along the river?
(Look at the height of Agnes in '72!!)

A big shout out to route-master/liming driver John for all of his
assistance (and patience) in plotting another successful event!
