 **WOW: Twin Rose Lady Riders Chapter**

Greetings Roses & Friends!

The leaves are changing and it's beautiful. Although I'm not crazy about the 6:30 sunsets, it's all part of the beauty we enjoy here in PA.

With the cold weather, we begin our indoor meetings. We will be meeting at Loxley's at 11am on Nov. 12. Afterward, Barb and Ed are going to meet us for the Ride proceeds presentation! Our final total was \$7,354.53! Thank you Roses for all your help. What a great amount to donate to such a worthy cause! We had 38 participants this year! Not too bad considering the weather.

Lynn and my friend Denise met me for an impromptu ride on October 11. It was a little chilly and a little short due to the early sunset, but it was lovely. Lynn led us on a beautiful ride down around Holtwood.

The ride committee will be meeting after the holidays. That means it's time to start thinking about rides for next year. Do we want local rides, longer rides, or should we try another weekend away? Let us know!

Do we want to get together over the winter? Besides an Escape Room, what else do we want to do? Do dinners sound fun? Would you prefer an activity? If you have an idea, please plan it! We'll get the information out to the members.

Take care and be safe!

Natalie

Roses, if your birthday has been missed
send it (mo/day) to suespittle@comcast.net

Lynn, Nat and friend Denise met on a Wednesday afternoon at the Columbia Sheetz for a tour of some of southern Lancaster County's nice back roads. No dinner or ice cream in order to be back before dark and to avoid Oct.'s quickly dropping temps. But great wind therapy nonetheless.

Meets 2nd Sundays:

NOV – MAR: 11 AM brunch

APR – OCT: Check ride
calendar or call for details
on meeting sites or specific
ride/rendezvous plans.

Welcome Prospective Members!

Would you like to ride with an enthusiastic local WOW chapter? Call any of the names above to chat, or check our web site and events calendar and drop by a meeting point. Support Guys always welcome, too!

If you'd like to continue receiving chapter news, forward \$10 (check payable to Twin Rose Lady Riders) to the Treasurer. Email lynnmtrlr@comcast.net for her address. It's an annual donation toward operating expenses.

Membership Policy:

Women On Wheels® members and guests are welcome to participate with any chapter. We encourage you to **join the nat'l organization, as WOW membership is required for continued chapter participation** and because members are protected under our insurance plan. Application forms are available in the WOW magazine or from any chapter officer.

Our **Oct. 8 Second Sunday Ride** got off to a shaky start with Lynn's SilverFox not turning over and cold winds gusting. Lynn, Sue S, Dawn H and Nat went 0.1 mile from the 11 AM start at BAM directly to the finish at Isaac's for some nice warm soup.

A big THANK YOU to all of our 2023 Ride for HOPE donors and supporters. Above, Nat received a great raffle item from Battlefield H-D. Nat and Kathy M rode out that way on a drizzly day and Kathy also got to pose her CanAm at Gettysburg Nat'l Cemetery for a Tour of Honor pic.

We look forward to getting together with HOPE's Barb & Ed for the presentation of this year's proceeds at Loxley's at 12:30 after our Nov. 12 brunch meeting. HOPE to see lots of Roses there!

A Weekend in Doylestown

By Nat

You have all read/heard about my 'list.' I have a notebook where I record places I want to travel. Crystal once asked me "How do you come up with this %\$^&?" (That was after I returned from visiting the 'fake' UFO in Mars, PA.) **It's my list.**

Well, the Mercer Museum has been on my list for quite some time. I saw on the Travel Channel that they have an antique vampire hunting kit! This was a must see!

I am very fortunate to know a lovely Rose named Kathy R who happens to hail from the Quakertown/Doylestown area and home of the Mercer Museum.

Saturday began with a visit to Sine's 5&10. Built in 1912 it is still operating, complete with penny candy and soda fountain/lunch counter. From there we met Kathy's friend Teri at the Quakertown Farmers & Flea Market. I am not exaggerating when I say that you can literally buy anything there—including a delicious cheesesteak! Altomonte (which I kept calling 'old tamale') is a huge Italian Market. I brought home a heavy grocery bag and a lighter wallet from that visit!

Sunday we visited a Polish Deli and then motored toward Doylestown and the main attraction. The Mercer Museum did not disappoint. Six stories housing over 30,000 artifacts. Mr. Mercer was an anthropologist who was more interested in HOW people produced items than WHAT they produced. I highly recommend a visit—even if you aren't interested in

the vampire hunting kit (which was awesome and worth the trip in itself!) They also have actual gallows from the old prison, a Conestoga wagon, a dug-out canoe and on the top floor you can see paw prints preserved in concrete from Mercer's dog Rollo.

Mercer was also a successful tile maker. He produced the tiles on the floor of the PA State Capitol. We toured the Tileworks and saw how they are made. I was fascinated to find out that the clay is from an old lakebed nearby.

Where is my next adventure?

Let me get that list.
