 **WOW: Twin Rose Lady Riders Chapter**

This Havre de Grace photo is from 10 years ago – my first big ride!
Now, 33 states and 68,000 miles later...

Greetings Roses & Friends,

I have a policy that I try to never visit the same place twice. I find, however, that some places just 'vibe' with me and I return to them again and again. I was lucky enough to visit two of these locations this month!

I just love riding to Havre de Grace. Beautiful back roads, crossing a dam and arriving on the water. As a bonus, the food at the Tidewater Grille was delicious. Apparently, the soft shell crabs were good. Being from Lancaster County, I must take John, Sue and Lynn's word for it.

The other place that I LOVE is Knoebels' Amusement Park. I've been going there as long as I can remember and now, we are continuing the tradition with my grandchildren. It's not just the rides and food, it's the entire package. Of course, it might just be all my memories there.

Our next chapter ride is September 8. We'll be checking out the route for this year's Ride for HOPE.

Speaking of which, we are coming up quickly on the **Ride for HOPE on Saturday, Sept. 21.**

A few notes for all members:

- Please try to come and volunteer some time. It's okay if you can't stay the entire time.
- Please donate to the bake sale!
Package your items individually to be sold for \$1.
- And, if you have items appropriate for the raffles, that would be great!

Hope to see you on the 8th!

Take care and be safe!

Natalie

Sunday, August 11 Texas Roadhouse PA's 2024 "Homes for Our Troops" Ride

Trish joined over 600 bikes for the 2024 ride from East York to Gettysburg! Each year Texas Roadhouses all over the country hold rides to benefit troops — and over \$60,000 was raised on Sunday just by this PA contingent.

August 11, Second Sunday Ride

That same day, FOO Lynn put together a fine chapter ride to Havre de Grace. Lynn, Sigi, Natalie, and Kathy M enjoyed the beautiful weather and route. SuzQ, Sue S and John joined them for lunch at the Tidewater Grille where we toasted Pat.

Remembering Our Pat

by Sue S

Pat and George

When the Roses gathered this month at Havre de Grace we made a toast to Pat.

It got me remembering other rides down that way that she had led, so I rooted through the old TRLR albums looking for snapshots. Couldn't find any from historic Poole Forge with its

covered bridge where Pat volunteered as a gardener. And I only have a mental image of her enjoying quiet early morning Tai Chi next to the pool at a Sigi's Weekend. Suddenly the silent snake-like pool cleaning hose rose up like a sea monster breaking her reverie and she shrieked with laughter.

We looked forward to Pat's "Fall Excursions" along beautiful Berks & Chester County roads and she always had a good story for us. I especially liked the ones about the special needs students on her school van — how she'd pull over and stop along the route if there was something interesting for them to see. How she took no flack from rowdy passengers and the kids grew to appreciate her firmness. One even looked her up years later and took her to lunch to thank her.

A bunch of Roses went to visit her recently but she passed away before a return trip could be scheduled. ***We'll miss you Pat.***
